Ride on Professional Sweeper/Vacuum

Easy to use
adjustable controls

Monster
1230mm "mouth"

Electronic filter shaker
for easy cleaning

Powerful drive system for
6300m³/work capacity

Complete with Standard Equipment

#09610011

#09610007

6 x #09610004

The ultimate professional sweeping solution for large areas. Featuring a massive 1230mm sweeping width, commercial filtering system and HEPA option this is the true professional choice. Ideal for warehouses, yards and commercial applications this machine can "eat" more than 6000m³ per hour.

- Ideal for large surfaces
- Large filter surface distributed on 6 cartridge filters fitted with electric filter shaker
- Side brush raising control, complete right/left side brush
- Suction switch off, lift flap pedal
- Main brush pressure regulation
- Indirect back collection, front dust vacuum system
- Quick changing of the main brush and side brush without tools
- Long-life elastic belts, suction selection lever
- Shock proof steel frame
- Traction lever, antistatic device
- Battery level indicator, wide collector tank
- Heavy duty steel frame, adjustable seat
- Perfectly balanced weight of the components, thus resulting in safe and quick changes of direction and can operate up to 12° gradient
